

## **Special classes for ex-students of all previous Batches not accredited with Pakistan Engineering Council**

Department of Industrial Engineering and Management and Department of Metallurgy and Materials Engineering will shortly arrange special classes for ex-students of all previous Batches not accredited with Pakistan Engineering Council to fulfill their requirement to “hold crash courses and conducted assessment test” for accreditation .

Accreditation will only be granted to those ex-students who will clear the test.

All the students of above mentioned batches are required to contact office of Chairman of their respected departments for timetable and other details.
